PHONICS

TOPIC: Long vowel 'o' ('oa' says \bar{o}).

FACT/ TIP: When two vowels come together the first one says its-name.

boat

PRACTICE EXAMPLE: oa says / \bar{o} / as in boat

ON YOUR OWN

Look at the pictures below and say their names.

Trace the letter that makes the long /o/ sound.

goat

toad

READING

Read the story below.

Mars the **toad** is fat and green.

He likes to **soak** in the water.

His friend Billy the **goat** likes to watch him.

Billy likes to **float** around in an old **boat**.

Mars the **toad** and Billy the **goat** are happy buds.

VOCABULARY

TOPIC: Syllabication

FACT/TIP: We can break words into smaller parts when we say them out loud. Every break in the word must have a vowel sound.

Every syllable has a vowel sound.

ON YOUR OWN:

Draw a line to separate the syllables in each word. The first one is done for you. Clap, count then write the number of syllables.
