

MINISTRY OF EDUCATION
PRIMARY ENGAGEMENT PROGRAMME
GRADE ONE - TERM 2
SUBJECT: MATHEMATICS
WEEK-1 LESSON-3
TOPIC: EQUAL SETS

NAME: _____ DATE: _____

TIPS/FACTS: Equal sets are sets that have the same kind of elements and the same number of elements in each set.

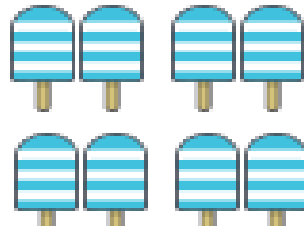

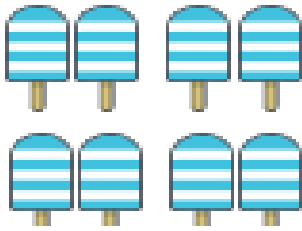

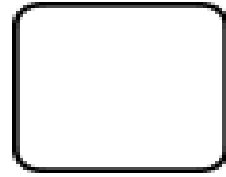

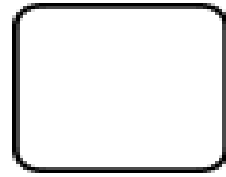

PRACTICE EXAMPLE: Place a tick in the box if the sets are equal.

		<input checked="" type="checkbox"/>
--	---	-------------------------------------

ON YOUR OWN:

Place a tick in the box if the sets are equal.

		<input type="checkbox"/>
		<input type="checkbox"/>

HOMEWORK:

Colour the pictures below. Put in the sign to show that the sets are equal.
