

MINISTRY OF EDUCATION  
PRIMARY ENGAGEMENT PROGRAMME  
GRADE ONE - TERM 2  
SUBJECT: MATHEMATICS  
WEEK 1: LESSON 4  
TOPIC: EQUAL SETS

NAME: \_\_\_\_\_

DATE: \_\_\_\_\_

**TIPS/FACTS:** Equal sets are sets that have the same kind of elements and the same number of elements in each set.

**PRACTICE EXAMPLES:** Create equal sets using objects in and around your home environment.

**Equal sets**

**ON YOUR OWN:**

Use the pictures below to make equal sets to complete the table.

**HOMEWORK:**

Make the sets equal by putting in the missing objects. Put in the equal sign.
